BDCP Draft ADEIS NOTES & comments LF.doc

Hi Erin and Stephanie,

I only made it through Chapter 3 up to p. 3-94. Below are my draft comments and observations. Sorry, I did not get further in the review. I have to admit, I have been greatly distracted by the need to clear out my electronic and hardcopy files in anticipation of my last day in the office, January 27, 2012.

I am going to devote the next few weeks to just clearing out all my files and cubicle. If I have time left before the end of Friday January 27, I will return to my quick review of the BDCP chapters.

Have fun with this project and good luck! I will be tracking its status after retirement.
